Spring Break Spotlight & Center Stage Academy Registration Application

Spring Break Spotlight and Center Stage Academy day camps are offered for children in grades 1-12. At the camps the students will learn many aspects of the theatre and performing arts. The first half of the day consists of three classes, music, dance and acting/theater orientation. The students in the senior session will also be exposed to the technical aspects of set, lighting, costume, and make-up design and application. The second half of the day is spent in rehearsals for an actual mini-musical production to be showcased the Saturday following the Camp. Act I of the performance showcases many of the things that they learn during their classes, and Act II will be the mini-musical.
